

Q & A

Q: When does the 2024 Registration Open?

A: January 10, 2024

Q: How much will it cost (donation) for someone to play in the donor support flight? Will there be any kind of tournament or format for them?

A: The Donor Support Flight entry will be with a donation/sponsorship - the minimal donation level is \$300. There will be a 1st place trophy; play format not yet determined.

Q: How much will it cost to enter a school team of 2 golfers? (consisting of a current student and staff member or alumnus)

A: \$250/Team

Q: Will the student registration cost be the same as that of an alumnus he or she may be playing with? (Will the registration fee be for teams of 2 or by individual?)

A: School Flight Registration is \$250 per team.

Q: Is there a maximum number of teams per school? We have a lot of interest this year. We are planning to register our teams promptly on Jan. 10th. But depending on how many teams we have, we must make all our travel/lodging arrangements since we are more than 450 miles from Death Valley.

A: Max of 3 teams per school

Q: What will be the format for the tournament this year? As you can imagine, this is a question usually asked by the staff members, alumni, adults, or parents who might want to go and play with their student.

A: Format has not yet been decided and will be decided by the Golf Event Committee.

Q: How do you calculate the handicaps for scoring since many students and other players may not have official GHIN index numbers?

A: We do a combination/percentage for a team hcp based on individual hcp and/or max hcp if player does not have a hcp.

Q: Is there a lunch only option?

A: Yes, for a \$100 donation you may attend the award ceremony and have lunch. Contact Elizabeth Beers at (909) 723-1067 or email host@128cm.org.

Q: What are some lodging options?
